

We invite you to sponsor our 19th annual Rare Chair Affair!

Every year, our breast cancer Survivor Artists pour heart and soul into designing and painting repurposed chairs into unique works of art. Through a summer-long program, they meet together to become inspired, share experiences, learn about breast cancer advocacy, and stretch themselves artistically. The chairs they create become the centerpiece of our Rare Chair Affair, a live auction fundraiser for the Wisconsin Breast Cancer Coalition.

The WBCC is in its 24th year of operations, continuing our work to protect breast cancer patients and their families as Wisconsin's premier breast cancer policy organization. In addition to our advocacy work, the WBCC educates the public about breast cancer science, illuminates treatment developments, collaborates with numerous partners to keep Wisconsinites healthy, and helps secure federal research funding.

RCA 2017's Wonder Woman Chair
